

AVCC - Autumn/Winter 2023/4 programme part 2

All river paddles are subject to water levels. Please send the coordinator for an event a text to book on the paddle at least 5 days before the event is scheduled to take place.

Pool sessions need to be booked through Webcollect login and go to 'club events'.

Please take a look at the [winter kit list](#) on the club website for things to remember if you want to join any of the river paddles.
